

Wine For A Good Cause at Fish Shop

Courtesy photo

If you love wine and fresh fish, make your way to any of Fish Shop's four locations in September or October to support The Breast Cancer Charities of America. [Pacific Beach](#), [Point Loma](#), [Encinitas](#) and even the [Hermosa](#)

[Beach](#) location have partnered with the non-profit to donate \$2 of every bottle of Chloe Wine sold over the next two-months.

Each spot serves **Chloe Pinot Grigio**, with a sweet white wine with juicy flavors of melon, apple, white peach, lemon and honeysuckle, and a red **Pinot Noir** that gives off aromas of wild strawberry, plum, cherry and spice. **ChloeRed Blend** is also available, with notes of dark fruit, rich espresso and spice, so you'll be able to enjoy a glass no matter what your palate prefers.

HB Fish Shop Taco + Wine (courtesy photo)

Pair with a healthy salmon salad, Fish Shop favorite **TKO Taco** made of grilled mahi mahi, mixed cheese, cilantro white sauce and tropical salsa, or build-your-own fish sandwich. There is a boat load of fresh fish combinations to choose from!

October is Breast Cancer Awareness Month, but the BCCA (Breast Cancer Charities of America) works all year long to bring together organizations representing health and social service disciplines to establish new and unprecedented levels of effectiveness in research, education, advocacy and support. Come show your support by wining and dining at Fish Shop!
