The Fish Shop Team

The Fish Shop first dropped anchor in Pacific Beach in 2010 and in Encinitas in 2015. Since then, they've built a reputation for providing their customers with the freshest seafood, complemented with outstanding service in a relaxed atmosphere that is both family- and dog-friendly.

The fun starts when choosing from one of their daily selections of fresh fish paired with one of their eight seasonings and a choice of serving styles: tucked in a taco, as a sandwich, in a salad, or on a plate. Lunch and dinner choices can be prepared as lean or indulgent as one wishes, to suit every desire and taste.

The fast-casual environment is perfect for popping in for a quick lunch or dinner or unwinding with friends. Dine inside or al fresco on the cozy, well lit, heated patio. Enjoy one of the many local and California microbrew beers they offer, or choose from their selection of wine.
